

Types of AC-EXS Administration

Online administration

- Using an online PDF viewer to securely share materials for a limited time. Each user receives a set of login details to access the necessary documents.
- Ideal for remote assessments.

Print and post

- Receive printed copies of all materials required to run the exercise, delivered by courier.
- Ideal for face-to-face assessments in the UK.

Access to print

- Receive secure access to print the number of required copies for the assessments.
- Ideal for face-to-face assessments globally.

Please contact cxproductsupport@talogy.com for more details, to discuss administration options, or to place an order.
